

**Susan M. Esper '91**  
Partner  
Deloitte & Touche

Susan is a Partner with over 23 years of public accounting experience and has specialized in the financial services industry throughout most of her career. With primary focus on investment management clients, Susan currently serves as an audit partner on a number of Deloitte's largest investment management accounts with responsibility for oversight of client service coordination and delivery. In this role, she is responsible for the planning and execution of the mutual fund audit process, as well as all related internal control engagements and compliance with industry regulation. Additionally, Susan leads the Financial Services industry group in Deloitte's New England practice, which is comprised of professionals dedicated to serving clients in the banking and securities, insurance, asset management and real estate sectors.

In addition to her client service responsibilities, Susan is the Northeast Regional leader for Deloitte's Initiative for the Retention and Advancement of Women ("Women's Initiative Network" or "WIN"). Established in 1993, this national initiative focuses on the development of its talented women professionals and identifies opportunities for them as future leaders within the Firm. The Initiative supports the Firm in its goal to train, develop and mentor professionals at all levels, regardless of gender, and create an environment where career success can be achieved.
