Charles Newton '74

Consultant
Newton and Newton, LLC
Ccnewton52@gmail.com

Charles Newton has over 20 years in state procurement and economic development working with women and minority owned businesses. He is a small business development professional with expert knowledge of federal, state and local certification processes and compliance requirements. He also has extensive background in market research and product development along with a strong record of community service with local non-profit organizations.

Charles currently works as a consultant for Newton and Newton, LLC.

PC students can reach him at ccnewton52@gmail.com.
