

Matthew Conroy '92
Director of Corporate Initiatives
Income Research & Management

In his role as Director of Corporate Initiatives, Matt is responsible for overseeing corporate development and new initiative implementation across the firm. Matt is also a member of IR+M's Investment Governance and Operating Committees.

Prior to joining IR+M, Matt held various roles at State Street Global Markets, the last being Managing Director of Fixed Income Sales and Trading. Before that, he held positions in Global Link, State Street's electronic trade execution and confirmation platform, including Head of Global Link Australia and New Zealand, where he established Global Link/FX Connect as a preferred FX trading platform. Matt has a BS in Business Administration and Business Law from Providence College (1992) and is a CFA Charterholder.
