Andrew Mizera '11
Audit Senior Manager
Deloitte

Andrew Mizera is an Audit Senior Manager at Deloitte with over 12 years of experience in the financial services and consumer industries serving public and private clients. Andrew's focus is on both publicly traded and non-traded REITs, as well as fair-value real estate funds and investment companies. He also has experience in SEC Registration Statement filings and carve-out transactions. Andrew also works closely with Deloitte professionals in numerous other functions, such as M&A, tax, and valuation, in serving his clients.

Andrew graduated from Providence College in 2011 with a BS in accounting and minors in finance and German. After graduating from Providence College, Andrew obtained his Masters in accounting from the University of Oregon in 2012. Andrew also holds a CPA license in the State of Illinois.
